

★ BANNER / HERO SECTION — DETAILED WALKTHROUGH

```
<section id="banner" class="py-5">
```

- ✓ `<section>` → semantic container for a distinct part of webpage.
- ✓ `id="banner"` → unique identifier, useful for CSS styling or anchor links.
- ✓ `class="py-5"` → Bootstrap class: adds **padding-top and padding-bottom**. (`py` = padding-y, `5` = spacing size, approx 3rem).

```
<div class="container-fluid">
```

- ✓ `<div>` → generic container.
- ✓ `container-fluid` → stretches content **full width** of screen.

```
<div class="row align-items-center">
```

- ✓ `row` → Bootstrap horizontal row for grid layout.
- ✓ `align-items-center` → vertically centers columns inside this row.

```
<div class="col-md-6 banner-text">
```

- ✓ `col-md-6` → Bootstrap column taking **50% width** on medium screens and larger.
- ✓ `banner-text` → custom class you can use to style text inside this column.

```

```

- ✓ `<img>` → shows an image.
- ✓ `src="images/Baner.png"` → file path to banner image.
- ✓ `class="img-fluid"` → Bootstrap responsive image: **scales automatically** to fit container width.
- ✓ `alt="Banner with text"` → alternative text, useful for accessibility and SEO.

```
</div>
```

- ✓ Closes left column.

```
<div class="col-md-6 text-end">
```

- ✓ `col-md-6` → right-side column, 50% width.
- ✓ `text-end` → aligns content to **right side** (Bootstrap).

```

```

- ✓ `src="images/heroimage.png"` → image of happy child.
- ✓ `class="img-fluid banner-right"` → responsive image + custom class for extra styling.
- ✓ `alt="happy child image"` → descriptive alt text.

```
</div></div></div></section>
```

- ✓ Closes right column, row, container, and section.
 - ✓ Hero/Banner section is complete.
-

✓ Key Notes About This Section

- The **two-column layout**: left = banner graphic, right = child image.
- `img-fluid` → crucial for **responsive images**. Without it, images may overflow on small screens.
- `py-5` → gives breathing space above and below the banner.
- `align-items-center` ensures **both images vertically align**.
